STAR Math Data

Date of test	Time on Test Min/Sec	SS Score to graph	Difference from month before	Did your score go Up/Down	Next Month's SS Score Goal
8-27	24:13	842	-0-	N/A	850
Reflection: What can I do better? I need to work more on my multiplication facts to be faster					
9-13	26:32	914	72	Up	945
Reflection: What can I do better? We ARE working on decimals, so I think I can do better on that.					
10-30	20:14	900	14	DOWN	931
Reflection: What can I do better? I am going to work on my long division. It's hard.					
11-24	17:34	920	20	Up	931
Reflection: What can I do better? I need to work on my math in class. Maybe MRS. TEM CAN give me extra.					
12-20	20:10	917	1	Up	945
Reflection: What can I do better? I am going to ask my mom to check my math and make sure I practice					
Reflection: What can I do better?
